BUDGET PAYMENT PLAN

PROGRAM INFORMATION:

The Budget Payment Plan divides into twelve equal monthly payments the total cost of your water, sewer, and ambulance charges for the year. Every six months your account will be reviewed to determine if your usage has changed. If so, an appropriate adjustment will be made to your budget payment plan amount reflecting either decreased or increased usage. Any price changes will be automatically figured in the budget payment amount. You pay for only the water you use but at a fixed amount each month. To sign up for the budget payment plan your account must be current with "0" owing. You may cancel this program at any time; however the account must be brought current at that time.

Eligibility requirements for the budget pay plan shall include:

1. The account has been in full service status for at least 12 consecutive months and has not incurred a late-pay penalty
2. That the account for the address being serviced is current
3. The monthly budget billing amount is paid in full each month before incurring a late pay penalty
4. That the service address be a single-family dwelling unit

If you meet these eligibility requirements and the budget payment plan will meet your budgeting needs, then please fill out the application below and return it to the City of Pasco's water department. We will be happy to add your name to the list of Budget Payment Plan customers.

YES SIGN ME UP FOR THE BUDGET PAYMENT PLAN!

I have read the information sheet and I meet the eligibility requirements.

I understand that if the account becomes delinquent, I will be removed from the Budget Payment Plan.
