All games will be played at Highland Park Football Fields (500 N. Wehe)

1. Playing Field

The field is a rectangle with an end zone at each end. An official regulation-sized field is 110x40 yards, with a playing field length of 70 yards and 20-yard end zones.

2. Number of Players

A team consists of seven players. Five players are required by game time to prevent a forfeit. (Co-Rec, one woman would need to be on the field at all time and minimum of 5 participants is required to avoid a forfeit. If the Coed team does not have a woman playing, they will have to play one person down. (Example, a team with 7 men and no women, they would have to play the game with only 6 players instead of 7).

3. Length of Game

The game length will last until the first team reaches 15 points. Halftime will start when the first team reaches 8 points. Teams must win by two points. A hard cap of 1.5 hours is in affect for each game. Overtime (if necessary) will start if score is tied at 14-14.

4. Equipment

Any flying disc may be used as long as it is acceptable to both team captains. Individual players may wear any soft protective clothing as long as it does not endanger the safety of any other player. Shoes must be worn by all players. Shoes with metal cleats or cleats that screw onto a post on the shoe are not allowed.

5. Forfeits

If one team does not have the minimum of players present (5). That game shall be considered a forfeit by the team with the less than minimum players. If neither team is able to field a team, a double forfeit will be declared.

6. Cancellations

In the event of inclement weather Pasco Rec. Services will make the decision if games will be cancelled. Our office will notify the team captain and the team captain is responsible for informing players on their rosters of any cancellation. Games will be cancelled due to weather such as heavy rain, lightning or windstorms.
