

## **PASCO MUNICIPAL COURT ALCOHOLISM, DRUG ADDICTION & MENTAL HEALTH DEFERRED PROSECUTION**

This packet contains the Pasco Municipal Court preferred forms for a Deferred Prosecution (DP) based on alcoholism, drug addiction and mental health problems. This packet will be available through the Pasco Municipal Court Probation Office. The forms are:

1. Notice of Intent to Seek Deferred Prosecution (to send to DOL);
2. Petition for Deferred Prosecution;
3. Order Granting Deferred Prosecution;
4. Declaration of Non Driving Status; and
5. Notice of Insurance Coverage.

If you are filing for a DP for a mental health condition only, and it is not a Title 46 RCW violation, check the appropriate boxes within these forms; but do not use the Declaration of Non-driving Status, the Notice of Insurance Forms or the Notice of Intent to Seek a Deferred Prosecution. The Court prefers that these forms are used. Please do not submit them on attorney pleading paper.

It is this Court's policy that a defendant participating in this program shall abstain from alcohol, marijuana and non-prescribed drugs for the duration of the program and probation. Under exceptional circumstances, if approved by the treatment provider, the Court will entertain a requested modification of this policy.

**UPON COMPLETION OF THE FORMS BY COUNSEL, DEFENDANT MUST MEET WITH PROBATION  
AND HAVE THE DOCUMENTS REVIEWED BY THE PROBATION OFFICER.**
