Pasco's Yard of the Month program has been ongoing since 1990 as recognition for residential property owners who take extra care and pride in maintaining their properties. In 2006, a commercial category was added. Volunteer judges review properties within a geographical district and nominate an outstanding property for each month from May to September. A Yard of the Month sign identifies the property (placed and removed by City staff). A Proclamation certificate is awarded by the Pasco City Council. The Property photo and name is published on Pasco Parks and Recreation's Facebook, Instagram and Twitter Pages.

Pictures of the winning yards are displayed at City Hall and on the City website.
