When requesting a remote hearing in Pasco Municipal Court, please use the “Request for Remote Hearing” form. The form needs to be received by the court at least 1 week prior to the scheduled hearing. It can be submitted by mail, through legal messenger, or electronically to plazolam@pasco-wa.gov.

Please note that if your request is granted, the time and date of your hearing may be changed to fit the court’s schedule as remote hearings can be more time consuming than traditional in-person hearings. A notice of remote hearing with the new hearing date and time, along with Zoom hearing login instructions will be sent to you. If you have any questions, please contact the court.
